NEWS

"Proud to Work Here. Proud to Give Here." at UMSON

"I have witnessed the value of both small and large donations and how it can contribute to the good of our school. I know that my gift matters to someone or something at UMB and UMSON."

Join Jeff Ash, associate dean for diversity and inclusion and assistant professor, and start making an impact today. Giving is easy and secure. [Give online](#) to show you are "[Proud to Work Here. Proud to Give Here.](#)"

Nurse Support Program II FY 2020 Grants

To submit an FY 2020 NSP II proposal, you must submit a [Pre-Award Form](#) no later than **Monday, Nov. 26**. The School will not be able to support grants that have not gone through the pre-award process, including talking in person with the appropriate department chair(s) and academic dean(s). A project summary is required on the form and will be used for review purposes within the School.

NSP II is hosting a technical assistance workshop on Friday, Nov. 9, 9:30 a.m.-2 p.m. at HSCRC, 4160 Patterson Ave., Baltimore, MD 21215. RSVP to Kimberly Ford at kimberly.ford@maryland.gov if you plan to attend.

UMSON will prepare the mandatory tables. Once the request for proposals is released, an announcement will be made in the *Weekly For|um*.

Grants approved for submission will need to be completed **by Monday, Jan. 7, 2019**, to assure that they can be processed within UMSON and UMB.

Updated Policy on Faculty Workload and Responsibilities Added to the Intranet

The updated [Policy on Faculty Workload and Responsibilities](#) is now accessible on the intranet, under the Faculty Workload Policy heading. Updates include expanding the range for Instructional Workload Units (IWLUs) for didactic courses (Workload Guidelines 1.C); expanding the range for IWLUs for multiple sections courses (Workload Guidelines 7.B-C); and including DNP project reader as an example function for Unfunded Service Workload Units.

Office of Registration and Clinical Placements Moving to Room 108

The Office of Registration and Clinical Placements will be CLOSED Wednesday-Thursday, Sept.12-13. We will be moving and will reopen Friday, Sept. 14, in our new location, Room 108.

UMSON National Organization of Nurse Practitioner Faculties Membership

The National Organization of Nurse Practitioner Faculties (NONPF) is now accepting applications for membership. Take advantage of the UMSON group discount of \$140 today. You can renew your NONPF membership at the same discounted rate as well. Email the [Office of the Academic Deans](#) for more information.

STEPS Faculty Training Now Available on Intranet

The Graduate STEPS Faculty Training videos and a STEPS Faculty Pre-Semester Checklist are now available on the [intranet](#). Each video is 2-5 minutes and focuses on a specific topic/task within STEPS. The checklist outlines faculty responsibilities in STEPS both leading up to and during each semester.

Nurse Educator Doctoral Grants Nominations Now Open

Nominations are open for Nurse Educator Doctoral Grants of up to \$30,000. Faculty enrolled in doctoral study who are engaged or will engage in dissertation/capstone projects during the 2018-20 academic years are eligible, as are recent doctoral graduates serving as faculty. Dean Kirschling must nominate all candidates. [Learn more](#) about guidelines and required materials. Notify Deborah Prout [by email](#) if you intend to apply. All materials are due to Deborah by Thursday, Sept. 20.

New HS/HSL Exhibit: Outbreak: Epidemics in a Connected World

The *Outbreak: Epidemics in a Connected World* exhibit is on display in UMB's Health Sciences and Human Services Library Frieda O. Weise Gallery through Sunday, Oct. 14. This exhibition, created by the Smithsonian's National Museum of Natural History in Washington, D.C., has been adapted for use by the HS/HSL. The exhibition marks the 100th anniversary of the devastating 1918 influenza pandemic. [Learn more](#).

UMB Staff Senate Collecting School Supplies

UMB Staff Senate, in collaboration with the UMB Community Engagement Center, is collecting school supplies for James McHenry Elementary in West Baltimore and for the UMB CURE Scholars until **tomorrow**. Place your donations in the tote in UMSON's lobby. Monetary donations are welcome as well. [Donate now](#).

UMB Center for Global Education Initiatives Call for Applications

The UMB Center for Global Education Initiatives is now accepting grant applications for faculty who want to involve students in an interprofessional global experience that can be centered around research, capacity building, training, or education. Grants are for \$5,000. The center supports project logistics, including selecting the interprofessional student team and travel/safety logistics. Deadline to apply is Oct. 15. [Learn more](#).

Act Today: Urge your Senators to Cosponsor S.1109

With the passage of Title VIII Nursing Workforce Reauthorization in the House of Representatives, we now look to the Senate to pass their version, S.1109. While Senate consideration of S.1109 could occur as early as this fall, additional Senate cosponsors are imperative to the effort and help to illustrate the broad support the Senate has for nursing workforce programs. [Reach out to your Senators today](#) and request that they cosponsor S. 1109.

Call for Applications: Robert Wood Johnson Foundation Health Policy Fellows

Are you a mid-career health professional or a behavioral and social scientist with an interest in health and health policy? Apply now for the 2019-20 RWJF Health Policy Fellows Program, the nation's most prestigious learning experience at the nexus of health, science, and policy. This nonpartisan fellowship offers exclusive, hands-on policy experience with the most influential congressional and executive offices in the nation. Up to six awards of up to \$165,000 each will be made in 2019. The fellowship requires a minimum commitment of 12 months in Washington, D.C. Deadline is Nov. 7. [Learn more](#).

HRSA Launches New Open Data Website

The Health Resources and Services Administration (HRSA), the primary federal agency for improving health care to people who are geographically isolated and economically or medically vulnerable, has launched its new [Open Data website](#), which features interactive maps, dashboards, query tools, fact sheets, and downloadable data related to HRSA-funded initiatives and programs. The website provides national summary data and lets users drill down to the state, county, regional, and Congressional district levels.

National Survey on Generational Differences in the Health Care Workforce

AMN Healthcare has released the results of a national survey on generational differences in the health care workforce, *Survey of Millennial Nurses: A Dynamic Influence on the Profession*. The report compares the views of Millennial nurses (ages 19-36) to those of Generation X (ages 37-53) and Baby Boomer nurses (ages 54-71). The survey found that Millennials are most likely to seek leadership roles, pursue advanced degrees, and become Advanced Practice Registered Nurses. [Learn more](#).

weWomen Research Study

Immigrant and refugee women are being recruited for the weWomen study, which is now available in seven languages. [Learn more](#).

Funding Opportunities and Notices from the National Institutes of Health

The National Institutes of Health releases its funding opportunities and notices every week. [Learn more](#).

EVENTS

Employee Giving Open House: Perks of Participation

UMSON, Room 140

Cheryl Dennison-Himmelfarb, PhD, RN, ANP, FAAN, FAHA, FPCNA, Sarah E. Allison Endowed Professor and associate dean for research, Johns Hopkins University School of Nursing; and deputy director for Interdisciplinary Research, The Johns Hopkins Institute for Clinical and Translational Research, and Barbara Bates-Hopkins, community relations coordinator, Johns Hopkins Bloomberg School of Public Health, present "Building Blocks for Community-Engaged Research."

Light reception immediately following presentation.

**UNIVERSITY
of MARYLAND**
SCHOOL OF NURSING

Faculty Council Meeting

Monday, Sept. 17

10 a.m.-noon

UMSON, Room 503

Join the UMSON Faculty Council for its next meeting.

Conference #: 844-279-4239

Participant Pin #: 598 472 046 106#

Healthcare Simulation Week - Baltimore

Monday, Sept. 17

noon-2 p.m.

UMSON Lobby

UMSON's Clinical Simulation Labs and Standardized Patient Program join the Society for Simulation in Healthcare in celebrating annual Healthcare Simulation Week. Grab a giveaway and a sweet treat, then pick up a simulation fact-finding form to complete this week; bring it back Thursday at noon to be entered in a raffle to win a prize.

USG White Coat Ceremony-Fall 2018

Monday, Sept. 17

5-6:30 p.m.

Building 2, Multipurpose Room

Cloaking of first-semester Bachelor of Science in Nursing students. Sponsored in part by the Arnold P. Gold Foundation.

Healthcare Simulation Week - Baltimore

Tuesday, Sept. 18

8-9 a.m.

UMSON Lobby

We have more giveaways for you -- and granola bars to get your day started off right.

Healthcare Simulation Week - USG

Tuesday, Sept. 18

11 a.m.-1 p.m.

Building 1, Third Floor Hallway

UMSON's Clinical Simulation Labs and Standardized Patient Program join the Society for Simulation in Healthcare in celebrating annual Healthcare Simulation Week. Grab a giveaway and a sweet treat, then pick up a simulation fact-finding form to complete this week; bring it back Wednesday to be entered in a raffle to win a prize.

Clinical Faculty Workshop

Wednesday, Sept. 19-Thursday, Sept. 20

8 a.m.-4:30 p.m.

UMSON

The Institute for Educators is sponsoring a two-day workshop designed to provide foundational information for nurses who plan to seek, or have recently accepted, positions as faculty teaching nursing students in clinical settings. Morning sessions will cover general content essential for the role. Afternoon sessions offer hands-on opportunities to apply what was learned in the morning as well as to work with standardized students. [Register now.](#)

Healthcare Simulation Week - USG

Thursday, Sept. 20

11 a.m.-1 p.m.

Building 1, Third Floor Hallway

Bring your completed simulation fact-finding form to the table to be entered in a raffle to win a prize. We have more giveaways for you -- and granola bars to help you get through your busy day.

Thursday, Sept. 20
noon
UMSON Lobby

Bring your completed simulation fact-finding form to the table by noon to be entered in a raffle to win a prize.

UMSON Monthly Research Seminar
Thursday, Sept. 20
noon-1 p.m.
UMSON, Room 150

Jessica Rowe, MA, MS, CCRP, research quality improvement manager, presents "Quality Management in Behavioral Research." Although this presentation will focus on behavioral research, practices for quality management across all types of research will be discussed as well. [Register now.](#)

Community Engagement Center UMSON Volunteer Opportunity
Friday, Sept. 28
11 a.m.-2 p.m.
UMB Community Engagement Center

Come volunteer at UMB's Community Engagement Center. Volunteers will assist with serving lunch while getting to know community members. [Register](#) by Monday, Sept. 17.

Emergency Warden Training
Wednesday, Oct. 3
1-2:30 p.m.
UMSON, Room 255

UMSON is seeking volunteers to serve as emergency wardens. Wardens assist in the evacuation of the building when the fire alarm sounds or an emergency evacuation occurs. Emergency planning and preparedness requires a collaborative team effort and systematic approach, designed to deliver the best possible leadership and support in a critical situation. Email [Angie Hines](#) for more information.

10th Annual Global Health on the Ground: Student Reflections from the Field

Monday, Oct. 8

1-2:30 p.m.

SMC Campus Center, Ballroom B

UMSON's Office of Global Health will cohost this event with Nurses for Global Health. Undergraduate and graduate students will present their lessons learned and accomplishments from international field placements in Costa Rica, Ecuador, Liberia, and Rwanda.

Presentations will highlight global educational engagement, professional development, and new cultural perspectives for the

campus community. The audience will learn about global health systems, partnerships, and critical equity issues facing vulnerable communities worldwide. [RSVP now.](#)

Precision Health and the National Library of Medicine: From Accelerating Discovery to Improving Health and Well-Being

Thursday, Oct. 11

4-5:30 p.m.

UMSON, Room 130

Patricia Brennan, PhD, RN, FAAN, FACMI, director, National Library of Medicine, National Institutes of Health, presents a lecture to the UMB community. The National Library of Medicine is the world's largest biomedical library and the producer of digital information services used

by scientists, health professionals, and members of the public worldwide. As the library prepares for its third century, Brennan is leading development of strategies to ensure that information critical for both discovery and care is available where needed, when needed, and increasingly in the format needed.

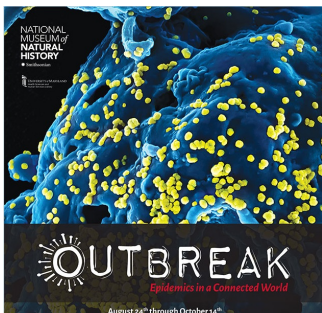

University Farmers Market

Today

10 a.m.-2 p.m.

Park Plaza

The University Farmers Market sells fresh produce every Tuesday and is open rain or shine.

Opening Reception for *Outbreak: Epidemics in a Connected World*

Thursday Sept. 13

10:30 a.m.
